10th November 1965]

(17) In Madras City, a Mobile Squard cheks overspeed, light defects, etc., on the road by surprise and books erring offenders.

(18) A motor vehicles checking squad is doing duty in the three trunk roads, Great Southern Trunk Road, Great Northern Trunk Road and Great Western Trunk Road in Chingleput district and its main duty is to check overspeed, overload, light defects, etc.

(19) Government have introduced six lane traffic with automatic signal lights with effect from 24th March 1962 in Mount Road in Madras City.

(20) The Government have sanctioned the creation of a "Traffic Planning (Police) Cell" and a "Traffic Planning (Engineering) Cell" to work under the Inspector-General of Police and the Chief Engineer (Highways and Rural Works) respectively with necessary staff.

(21) The public, drivers and owners of vehicles are educated on road sense, traffic rules, and signals, etc.

(22) Pamphlets explaining to motorists the dangers of overspeeding are distributed.

(23) To minimise overspeed and other offences, the Transport Commissioner is organizing surprise checks of all vehicles plying on important roads throughout the State.

(24) In order to check and supervise the work of the Motor Vehicles Inspectors particularly in regard to grant of fitness certificates to transport vehicles, an Engineering Cell has been created in the Transport Department with one Executive Engineer and Assistant Engineer at the headquarters and one Assistant Engineer at each of the Zonal headquarters at Madurai, Tiruchirappalli and Coimbatore.
